

CRUISE COMPASS

Jewel of the Seas

DAY 4

Tuesday, March 17, 2015
Basseterre, St. Kitts

BASK IN THE BEAUTY OF BASSETERRE, ST KITTS.

Columbus sailed past the island of St. Kitts, never actually landing on its pink-sand beaches. Yet by the time French and English settlers arrived in the 1620's, this lush paradise was known as St. Christopher. The town of Basseterre, one of the oldest in the Eastern Caribbean, was originally part of the French colony. Then in 1727, the British made Basseterre the capital of the entire island. It was right around this time that the world fell in love with sugar.

The island's colonial history is also reflected in the abandoned fortresses, city squares and architectural details. The dormant volcanoes and rugged mountains are perfect for hiking, with spectacular panoramic views from the crater base of Mount Liamuiga.

Surprise Even Yourself.

- Get inspired. How can you not get inspired in a place with this much natural and artistic beauty? Keep a journal. Take a picture. Capture it in your mind.
